THE FUTURE

PSR's Automotive Trades Scholarship was announced in January 2021. Funding for this program is awarded yearly through a grant from the OCF/Joseph E. Weston Foundation.

Each year we select deserving high school students who demonstrate an interest in continuing their education in the automotive trades. Currently two young men from Portland/Vancouver are continuing their studies through our program.

The Pharaohs continue their long standing financial commitment to the Portland Roadster Show's **High School Challenge**, Multnomah Hot Rod Council scholarships and **Angels on Wheels** toy drive.
